

Little People's Program

WOW!! Look what's new at **Little People's**: We are excited to announce that we have extended our program to include Monday, Tuesday, Wednesday and Thursday mornings from 9:30 to 11:30 am we've made it more flexible for you to attend; you can come for two days per week, three days, or you can attend all four days each week, it's your choice! and that's not all; each Thursday morning we will conclude with a 30-minute recreational play in the pool and parents can attend this swim if they wish!

The **Little People's Program** is offered at the Nick Smith Centre every Fall, Winter and Spring session. It is open to any child who is toilet-trained and over the age of two. Participants in this program should wear comfortable clothing and shoes and they should bring a drink along with them each day. Our Little People enjoy various games, song, crafts, stories and special events while enhancing skills of sharing, co-operation and interaction. Special themes each week afford the opportunity to explore areas of particular interest. On occasion, we also host special guests. All of this and much more is offered under the guidance of very caring and experienced staff.

The program will run for 10 weeks in total and you have some choice on the number of days you attend per week:

- \$136 for two days per week (*\$20 additional pool staffing fee if Thursday is a chosen day*) OR
- \$205 for three days per week (*\$20 additional pool staffing fee if Thursday is a chosen day*) OR
- \$240 for four days per week

If you plan on attending less than four days per week, we will ask you to let us know which days of the week you will be coming.

Registration for the Winter 2012 session begins January 2 and the program will start on January 9.
