SUMMER COLLECTION:

- Every Wednesday May 1 to October 31
- Two (2) bag limit per unit

GARBAGE BAGS:

- The maximum weight for each container or bag is **50 lbs.** (22.7 kg.)
- The maximum size for each container is no larger than 0.4 m³ (1/2 y³).

Example:

26” x 32” garbage bag

67 litre garbage can

- Oversize containers will not be collected. These are typically, large garbage cans (example: large garbage cans with wheels).

Example:

120 litre oversized can
= 2 Bags

97 litre oversized can
= 1 ½ Bags

- Check the size of your containers and your bags
- If a container is oversized the collector may, at his/her discretion, remove two (summer) or three (winter) bags out of the container, regardless of bag size.
- The collector is not required to lift and dispose of oversized or overweight containers.
- If you are throwing small (grocery) bags into an accepted container, the container will be dumped if it is not overweight or oversized. If small bags are placed loose at curbside, they are considered individual bags.
- The number of containers, the size and weight of each container is the MAXIMUM.
- Garbage will not be collected if it contains leaf & yard waste.

ADDITIONAL BAGS:

- Additional bags require a 'Bag Tag'. These are available for purchase at Town Hall, Library and the Nick Smith Centre for \$2.50 each.

INFORMATION:

- Refer to the yellow garbage schedule for more information.
