

# Application for Consent

Section 53 of the *Planning Act*, R.S.O. 1990, as amended  
Committee of Adjustment

The submission of an application to the municipality for consent (severance lot addition, right-of-way/easement) is provided for in the Ontario Planning Act. This form must be submitted and accompanied with the required fee, technical drawing, a copy of the deed or proof of ownership, and supporting documents, prior to consideration by the Committee.

It is the responsibility of the applicant or agent to make sure the application is complete, accurate and clearly identifies the required variances. Staff are not permitted to complete the form. Failure to provide all of the required information may result in processing delays of the application.

This information sheet is to assist persons in completing the application. Please contact the [Community Services Branch](#) should you require clarification on the application. For a complete reference to the planning process, please consult the Planning Act.

A pre-consultation meeting is required with staff prior to the submission of the application.

## Application Fee

The application fee of \$1,500 is to be paid at the time of application, by cash, cheque or debit to the "Town of Arnprior".

Note: The fees prescribed herein do not include extra meetings, the processing of objections or any functions relating to a Local Planning Appeal Tribunal hearing. Prior to undertaking any of these matters, the applicant shall enter into an agreement with the Municipality wherein the applicant agrees to reimburse the municipality in accordance with the fees established at that time. The municipality will only require an agreement for costs relating to a Local Planning Appeal Tribunal hearing when the municipality is a proponent of the application.

## Application Submission

The submission of this application must be accompanied with the technical drawing(s), supporting information, and required fee. The owner of the land, or the applicant, shall complete the following application form and the owner's authorization/declaration and submit along with the necessary documents to: Community Services Branch, Town of Arnprior, 105 Elgin Street West, Arnprior, ON K7S 0A8 Phone: (613) 623-4231 ext. 1816 or Email: [planning@arnprior.ca](mailto:planning@arnprior.ca)

## Collection of Information

Personal information on the following forms is collected under the authority of the Planning Act and will be used by the Town of Arnprior Community Development Branch in the processing of applications for consent. The information may be used by other departments and agencies for the purpose of assessing the proposed development and for preparing comments to the Community Development Branch. This information may also be released to the public. Questions about the collection of this information should be directed to the Clerk's Department.

# Procedures for Processing an Application

**Pre-Application:** The applicant pre-consults with the Town Planner to determine application requirements and related issues and concerns. This pre-consultation may require involvement of other municipal departments and local agencies.

---

**Application Submission:** The Town receives the complete application, technical drawing, supporting information, and required fee. The Town Planner will determine if the application is deemed complete.

The Town Planner arranges a Committee of Adjustment hearing date with the members and applicant. The Committee of Adjustment consists of four (4) members of the public and one (1) Councillor. They are a quasi-judicial body which renders decisions on applications, with or without conditions.

---

**Application Circulation:** The public hearing is required under the Planning Act and the municipality requires a minimum fourteen (14) day notice period. Notices are circulated according to Ontario Regulation 197/96, to required agencies and to all assessed landowners within 60 metres of the lands affected by the application. The fourteen (14) day notice period begins the day the notices are mailed. A notice sign is also placed at the property.

---

**Public Hearing:** The Committee of Adjustment holds the public hearing. The Committee will review the application, review staff comments, agency comments and correspondence and allow the public an opportunity to make comment or question. Based on the outcome of the hearing, a decision will be made to grant, refuse or defer until further information is received. Conditions will apply.

---

**Appeal Period:** The Planning Act requires a twenty (20) day appeal period which begins the day the decision is made. Notices under Ontario Regulation 200/96 are circulated to those requesting notice of decision. When the appeal period lapses without appeal, the decision is considered to be final.

---

**Fulfilling Conditions:** Conditions must be met within one (1) year of the notice of decision. When the conditions have been fulfilled, the Secretary-Treasurer will provide a Certificate of Official. The applicant then has two (2) years in which to complete the transaction for the consent to be final.

The municipality, applicant, or any other person or public body who has requested a copy of the Committee's decision may appeal the decision of the Committee of Adjustment within the twenty (20) day period by filing an appeal with the Local Planning Appeal Tribunal for a fee.

**Time Frame:** The pre-application process varies depending on the complexity of the application. The process from receipt of the complete application to conditions approval typically takes sixty (60) days plus the required twenty (20) appeal period. Appeals or concerns raised at the public hearing may delay the process.

**I have read and understand the application process and understand my role within it.**

## Part 9 – Technical Drawing

On a separate page(s), please provide a technical drawing, preferably prepared by a qualified professional, showing the following. In some cases, it may be more appropriate to prepare additional drawings at varying scales to better illustrate the proposal.

- The boundaries and dimensions of the subject land, including the lands to be severed and retained or easement/ right-of-way created.
- The location, size and type of all existing and proposed buildings and structures on the subject land, indicating the distance of the buildings or structures from the front yard lot line, rear yard lot line, and the side yard lot lines;
- The approximate location of all natural and artificial features on the subject land and on the land adjacent to the subject land that, in the opinion of the applicant, may affect the application. Examples include: buildings, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, wooded area, wells, and septic tanks;
- The current uses on the land that is adjacent to the subject land;
- The location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right-of-way;
- If access to the subject land is provided by water only, the location of the parking and docking facilities to be used;
- Date of preparation of the technical drawing;
- North arrow and scale to which the sketch is drafted (e.g. 1 cm = 50 m);
- The locations and dimensions of off-street parking spaces and off-street loading facilities;
- Planting strips and landscaped areas.

Note: The technical drawing, in conjunction with the application form, is the basis for the analysis of the consent application. It is strongly recommended that the applicant spend the necessary time to carefully prepare the drawing. Any application which does not include the above required information may not be accepted.
