## **Section 2 – Purpose**

This Council Code of Conduct sets standards for the behaviour of Council Members, as well as other Members of the municipality, in carrying out their functions. It has been developed to assist Council and Members to:

- a. Understand the standards of conduct that are expected of them and the law that applies in relation to these standards;
- b. Fulfill their duty to act honestly and exercise reasonable care and diligence;
- c. Act in a way that enhances public confidence in local government; and
- d. Identify and resolve situations which might involve a conflict of interest or a potential misuse of position and authority.

This Code of Conduct outlines each individual's responsibility, as a Member of the municipality, to uphold these principles and values, and act in the public interest.

## **Section 3 – Roles & Responsibilities**

The Role of Council and Staff is traditionally one of the first items to be clarified for a Council, in that Staff shall take direction from the Chief Administrative Officer (CAO). The CAO shall take direction from and be responsible to Council of the Town of Arnprior, but shall not be instructed or directed by or be responsible to any individual member of the Council. The CAO shall consult with Council with respect to any matter of concern to the municipality or to any of its local boards or committees. Clearly defined roles, distinguishing between the concepts of 'governance' and 'management', are critical to the success of a municipality. It will be reinforced at the outset that Council sets the policy for the community; it does not engage or participate in the daily operations of the municipality.

### **3.1 - Legislated Responsibilities & Compliance**

The legislated responsibilities, outlined in the Municipal Act, S.O. 2001, the laws of Canada, and the Province of Ontario, and all policies and by-laws of the Town of Arnprior are to be adhered to and carried out by all Members. Failure to do so constitutes an offence under this policy.

### **3.2 - Interaction with Staff**

The Town has worked diligently at creating a positive working relationship between Council and Staff. This has been successful, largely due to a mutual respect for each other's roles and responsibilities.

- a. Only Council acting as a body, can dictate that staff perform such duties as are necessary to the efficient management of the affairs of the community, and/or research such matters as the Council deems necessary. Individual Council Members do not have authority to direct the CAO, Directors, or staff.

- b. The Role of the CAO and the Directors is to direct the day to day management of the municipality, and assign duties to the staff placed under their supervision. To encourage the efficient management of the community, individual Council Members are requested to be mindful of that fact and are advised of the following:
- i. Council will respect and adhere to the Policies set by Council, and will under no circumstance take it upon themselves to circumvent or ask staff to circumvent established Policies. Only Council as a body, at a formal meeting, has the authority to amend policies.
  - ii. Council as a body, and as individuals, will liaise primarily with the CAO or Directors in the absence of the CAO. This requirement is not designed to interfere with the normal flow of information with those staff members who have been assigned the responsibility of providing information to Council by the Directors or CAO.
  - iii. Questions or issues surrounding operational concerns or complaints, excluding the basic issues covered above, should be directed primarily to the CAO or in the absence of the CAO, to the Directors.
  - iv. The municipality does not provide secretarial and/or research services for individual Councillors. Should information be required by individual Council members, a request should be made of the Clerk, Director of Corporate Services/Treasurer or CAO who will then determine which staff member is best suited to obtain the data.

### **3.3 - Media Communications**

It is understood that the Mayor as Head of Council, as per section 226(1)(c) of the Municipal Act, is the primary spokesperson, which does not prohibit other Members of Council, therefore the following shall apply:

- a. Members of Council will accurately communicate the decisions of the Town of Arnprior Council, even if they disagree with the majority decision of Council, and by doing so affirm the respect for and integrity in the decision-making process of Council. A Member may state that he/she did not support the decision, or voted against the decision.
- b. Members shall refrain from making judgemental or critical comments about other Members of Council or staff, or about the Town Council's processes and decisions.
- c. Members at all times shall refrain from speculating or reflecting upon the motives of other Members of Council or staff, when communicating with the media.
- d. Members of Council will keep all confidential information confidential, until such a time arises that the matter can properly be made public. A breach of confidentiality by Members diminishes public confidence.

### **3.4 - Legislation**

This Council Code of Conduct operates along with and as a supplement to the existing statutes governing the conduct of members. The following provincial legislation governs the conduct of members of Council:

- The Municipal Act
- The Municipal Conflict of Interest Act (MCIA)
- The Municipal Elections Act (MEA)
- The Municipal Freedom of Information and Protection of Privacy Act (MFIPPA)
- The Ontario Human Rights Code (OHRC)
- The Criminal Code of Canada (CCC)
- The Occupational Health and Safety Act (OHS) – including Bill 168
- The Accessibility for Ontarians with Disabilities Act (AODA)

## **Section 4 – Rule of Etiquette**

### **4.1 - Meetings & Quorum**

- a. The professional and personal conduct of Members must be above reproach and avoid even the appearance of impropriety. The Presiding Officer should never allow Members or delegations at a Council, Committee, or Board meeting to publicly criticize identifiable employees or other individuals. It is the responsibility of the Presiding Officer to ensure that both parliamentary procedure and rules of etiquette are observed by those in attendance at all times.
- b. Quorum is defined as the majority of the total number of the Voting Members of the Council or Committee, or as may be specifically set out in Council approved Terms of Reference for a Committee. Therefore, Council shall only conduct its business in a duly constituted meeting of Council, as per the Procedure By-Law.
- c. There shall be no “Off the Record” or Secret Meetings of Council.

### **4.2 - Operational Inquiries/ Complaints**

- a. Members of Council and/or other Members who are approached by the public with inquiries/ complaints regarding operational matters should direct these to the CAO, or Director in the absence of the CAO, who will then contact the appropriate Department or individual for review of the matter.

## **Section 5 – Behaviour of Members**

### **5.1 Interpersonal Behaviour**

- a. Treat Every Person with Dignity, Understanding and Respect:
  - Members shall refrain from abusive conduct, personal charges, verbal attacks, discrimination or gossip upon the character or motives of municipal employees, Councillors, Committee Members, Volunteers, or the public. Members shall abide by the Town of Arnprior’s Workplace

Violence Prevention and Workplace Harassment Policies and Programs, as well as the Ontario Human Rights Code, and shall take these policies and legislation and their contents into account at all times when considering etiquette. All dealings with any person are to exhibit a high degree of professionalism and are to be based on honesty, dignity, understanding, respect, impartiality and fairness.

- b. Do not Discriminate:
  - In accordance with the Ontario Human Rights Code, Members shall not discriminate against anyone on the basis of race, ancestry, place of origin, colour, ethnic origin, citizenship, religious affiliation or faith, sex, sexual orientation, age, record of offences, marital status, same-sex partnership status, family status, or disability. These forms of discrimination listed, shall be as defined in the Ontario Human Rights Code.
- c. Do not Engage in Violence or Harassment of Any Kind:
  - No Member shall engage in any form of Violence or Harassment, as defined in Section 1 of this document, taken from the Town of Arnprior's Workplace Violence Prevention and Workplace Harassment Policies and Programs and the Ontario Human Rights Code, as amended.

### **Section 6 – Use of Municipal Property and Resources**

Council, Committees, Boards, and Commissions must not use the municipality's property, equipment, supplies or services, which are not available to the general public, for purposes other than those which are necessary for the discharge of their official duties. This clause does not prohibit incidental responsible personal use of Town cell phones or computers.

### **Section 7 – Municipal Elections**

- a. During a Municipal election, Members of Council must conduct themselves in accordance with the provisions of the *Municipal Elections Act*, in addition to legislation and policies in place during their term of office. Members are accountable under the provisions of these statutes.
- b. Members of Council will expect the Town Clerk to manage the Municipal Election process and meet all statutory requirements in accordance within the *Municipal Elections Act*. Members of Council shall respect the role of the Town Clerk and municipal staff in the election process, shall not interfere with the Town Clerk or municipal staff's discharge of their duties during the election process, and understand that their role is to ensure that all candidates are treated equally.
- c. No Member shall use the facilities, equipment, supplies, services, or other resources of the Town for any election campaign-related activities.
- d. In a municipal election year, commencing on Nomination Day until the date of the election, no Member or other candidate for elected office, may book directly or indirectly, any facility for any purpose that might be perceived as an election campaign purpose if that facility is being used as a polling station.

- e. No Members shall use the services of persons for campaign related activities during hours in which those persons receive any compensation from the Town.
- f. The Integrity Commissioner may at any time be consulted with regard to complying with any part of this Section of the Town of Arnprior Council Code of Conduct. In particular they may rule on whether any activity by staff in a Councillor's office during an election year is prohibited election work, or permitted activity sufficiently unrelated to the election.

## **Section 8 – Confidentiality**

- a. Members shall keep confidential any information:
  - i. Disclosed or discussed at a meeting or part of a meeting of Council, Committee, or Board, that was closed to the public.
  - ii. That is circulated to members of Council, or other Members, that is marked confidential.

  - iv. That is received in confidence verbally.
- b. The obligation to keep information confidential applies even if the Member ceases to be a Council, Committee, or Board Member.
- c. Protection of Privacy:
  - i. Confidential information includes information in the possession of, or received in confidence by the Municipality that the Municipality is either prohibited from disclosing, or is required to refuse to disclose, under the *Municipal Freedom of Information and Protection of Privacy Act* (MFIPPA), or other legislation. Generally the MFIPPA restricts or prohibits disclosure of information received in confidence from third parties of a corporate, commercial, scientific or technical nature, information that is personal, and information that is subject to solicitor-client privilege.
